An exchange gets off the following: "I want to be a farmer and till the virgin soil, and labor in the sunshine to sweat and stew and boil; I want to earn large acres, whereupon the rye to sow, and watch the cornstalk waving, and hear the mortgage grow; I want to be a farmer, and grow a Hubbard squash and pumpkin and potatoes and other stuff, by gosh; I want to be a farmer I do, upon my soul, but I haven't got the money to buy a gopher hole."

THE CITY COUNCIL.

From Old to New—Old Out, New In—Only One so Very New—H. S. Bennett Takes a Seat with the City Dads—Business Done.

The council met Monday night for reorganization and other purposes. The claims ordinance was first presented and passed as follows:

Road Fund \$ 87 82
Sanitary Fund 45 00
Corporation Fund 288 87
Lighting Fund 265 50
Electric Light and Waterworks 7 00

Total, \$688 89

A motion was carried to pay Clerk Chapman \$25 for extra work incident to the building of electric lights and waterworks. This was considered by some as too small compensation. Two dollars was also appropriated for the purchase of revenue stamps for the bonds of the Electric Light and Waterworks Trustees.

Mr. Branson presented his bond and credentials as member-elect of Electric Light and Waterworks Board and was duly sworn in. Councilman Adams reported repairs to the road-scraper, amounting to \$23.

Mayor Couch reported the borrowing of \$3000 from the Home Savings Bank for the purpose of Electric Light and Waterworks extension. This was done in pursuance of a resolution adopted by the council at a prior meeting.

Following this was the annual report of the Cemetery Trustees, which showed a balance of cash on hand of \$410.00.

At this point the council adjourned, and proceeded to swear in the four new members, all of which were hold-overs, except H. S. Bennett, who took a seat with the "fathers" for the first time.

Mayor Couch then announced the following committees:

Finance—W. D. Hall, C. Sage, E. W. Adams.

Street—E. W. Adams, C. Sage, H. S. Bennett.

Sidewalks—R. T. Spicer, D. M. Hall, W. D. Hall.

Police and Lighting—E. W. Adams, R. T. Spicer, D. M. Hall.

Ordinances—C. Sage, W. D. Hall, H. S. Bennett.

Public Buildings and Grounds—D. M. Hall, C. Sage, E. W. Adams.

After a few minor details had been disposed of, the council adjourned for one week.

Uncle Josh Spruceby.

From the opinion of the press throughout the state the "Uncle Josh Spruceby" company is composed of people of ability and merit. The play is a story of New England life, and while written for laughing purposes, has a serious vein running through it. A number of specialties are introduced and special scenery is used to show off the wonderful scenic effects. The realistic saw-mill scene is a striking illustration of stagecraft. The band and orchestra accompanying the company is composed of high-class musicians. The parade takes place at noon. Seats on sale at usual places.
